- Strategic Management

plus approved option

- Spring term
- Professional Skills
- Managing People in Organisations (F/T)

plus approved option: All students will be required to undertake a final major piece of integrative work relating to their subject area.

The highlight of this course is the opportunity for you to study and research a topic area of your choice, either in the form of a dissertation or do an Applied Consultancy Project. This will allow you to get real work experience and familiarise yourself with the work environment. Previous students have based their dissertations or projects on topics related to their chosen career. Professional Skills in addition to Dissertation and Applied Consultancy Project aim to get you engaged with the practical application of management theory which can consequently help enhance your personal skills.

There are two routes that you may choose:

- Research Route
- Research Methods and Techniques

Postgraduate Dissertation

- Consultancy Project Route
- Consultancy Skills
- Applied Consultancy Project

You will also have two compulsory option modules:

- International Business Strategy
- International Business Environment
