

# University of the West of England (UWE Bristol)

[www.uwe.ac.uk](http://www.uwe.ac.uk)

## MSc Information Technology

**Location:** Bristol

**Start:** September, January

**Duration:** 1 year

**Tuition Fees:** £16,750

**English requirement:** UKVI IELTS 6.5 (no less than 5.5 in any bands)

### Content

The optional modules listed are those that are most likely to be available, but they may be subject to change.

The MSc route is structured so that three quarters of the taught course comprises core modules, while you choose the rest to fit your personal and professional aspirations and career goals. In the first term, there are four core modules, followed by one core module and two optional ones in the second term.

### Core modules

- Strategy and Governance in IT (15 credits)
- Project Management (15 credits)
- Information Security (15 credits)
- Digital Design and Development (15 credits)
- Group Software Development (15 credits)
- Cloud Computing (15 credits)

### You'll then choose two of the following 15 credit optional modules:

- Big Data
- Business Intelligence and Data Visualisation
- Data and Information Governance
- Designing The User Experience
- Knowledge Management
- Linked, Open Data and The Internet of Things
- Machine Learning and Predictive Analytics
- Social Media and Web Science

You'll also complete a CSCT Masters project (60 credits).
